ESTATE WINES

The 11-hectare Willow Creek Vineyard was planted in 1989 and quickly gained a reputation as one of the finest sites in the Peninsula. Viticulturist, Robbie O’Leary, has been with us since the beginning, while winemaker, Geraldine McFaul, joined the team in 2008. Today, our understanding of the site and its subtleties is instinctive. Wines are produced with respect for the fruit, while careful and complementary handling creates expressive wines showcasing a purity of site.

WINE PARINGS

Wine and food matching is the process of pairing food dishes with wine to enhance the dining experience. According to Master Sommelier Evan Goldstein, food and wine pairing is like two people having a conversation: “One must listen while the other speaks or the result is a muddle” - In many cultures, wine has had a long history of being a staple at the dinner table and in some ways both the winemaking and culinary traditions of a region will have evolved together over the years. Have a wine paring with dinner and ask our wine team about them.

CIDER

ERIC BORDELET

In 1992, Eric Bordelet, a sommelier who trained in some of Paris' top restaurants, returned to southern Normandy to take over his family's estate and orchards. At the core of Eric's estate are three hectares of ancient, heirloom varieties of apple and pear trees that are 40-50 years old. His organic estate has now grown to around 10 hectares of pure varietal trees, which are balanced between sweet, bitter and sour taste profiles. Currently, he works with 20 varieties of apples and 14 types of pears – a true master of his craft who is eager to revive the less well-known varieties.

MORNINGTON PENINSULA CHARDONNAY

Mornington Peninsula is an exceptional region where vines thrive in sheltered, undulating hills nurtured by a cool maritime climate. This creates elegant, structured, award winning wines. Chardonnay is one of the champion grape varieties of the region, loving the warm days and cooler evenings. As it ripens the variety will build beautiful acidity, weight and length on the palate. We have selected an extensive list of current and back vintage terroir specific examples of this region's highest quality Chardonnay for you to explore.

MORNINGTON PENINSULA PINOT NOIR

Pinot Noir is a French red grape variety hailing from the famous region of Burgundy. The name is derived from the French words for “pine” and “black”.

This alludes to the grape variety having tightly clustered, pine cone-shaped bunches of fruit and black the colour of the clusters. Mornington

Peninsula is well known for its outstanding ability to produce award winning, elegant and luxurious styles of Pinot Noir, some say to rival Burgundy. We have selected some outstanding examples of this regions Pinot Noir both current and back vintage from the best producers in the region.

We hope you enjoy.
